

YMCA OF SOUTH COLLIER

**FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

FACILITY HEALTH & SAFETY PRECAUTIONS

We appreciate your adherence to the following health & safety precautions:

- Following CDC guidelines, we are requiring members entering the facility to complete a waiver and screening questionnaire. *We hope to have this on our software system for electronic signatures in the near future.
- Members must wear a face covering while in our facility. Masks may be removed once outside of our facility or at a station or machine in the fitness center and during a fitness class where social distancing can be maintained.
- We suggest you bring a water bottle from home, as water fountains, bottle fill-up stations and coffee service will still be unavailable.
- We have added additional hand sanitizing stations and are requiring all members to clean ALL equipment BEFORE and AFTER use.
- We encourage the vulnerable populations of our Y members to be cautious and follow recommended guidelines on when to start being away from home more.
- We ask that all members use our rapid check in system and only stop at the Membership Desk when needing to handle transactions or scheduling to prevent a “staggering of crowds” in the lobby.
- When in line at the Membership Desk, all Members are asked to stand on the markers on the floor while they wait for their turn in line.
- No Members may enter the gymnasium during camp hours of 7am-5pm as we have enrichment camp going on.
