

New Lap Swim and Group Fitness Class Attendance Policies

- **Lap Swim Reservations:**
 - If reserving lane the day before: stop by or call the Membership desk.
 - If reserving lane the day of after pool opens: reserve with the Lifeguard on duty.
 - Upon arriving for your lap swim time, please check in with the guard to confirm or receive your lane assignment.
 - Lanes 1 and 6 will be dual-occupancy lanes; we ask that if you are willing to swim with someone else in your lane, you use these lanes first.
 - Lanes 2-5 will be single-occupancy lanes.
- **Group Fitness Class Attendance:**
 - Stop at the Membership Desk upon arrival and retrieve a card for their designated class area (Gym, Pool, Spin, Airnasium, or Tiki Hut).
 - The participant will then drop their card into the basket held by their instructor.
 - Each class area will have two sets of cards, allowing us to sanitize them in between.
 - Attendance will be on a first come, first serve basis. Attendance limits are set based on social distancing protocols.
